

REMARKS

On May 8, 2009, Applicants' representatives filed an *Amendment or Response After Final Rejection*. The Remarks of that Amendment made reference to four drawings (Figs. 1-4) for illustration purposes. However, Applicants representatives have now discovered that those four drawings were inadvertently omitted from the filing. Accordingly, attached herewith are those drawings, labeled Figs. 1-4.

The Examiner is kindly requested to consider those drawings along with the Amendment.

Respectfully submitted,

John Richards
